"All in

Challenge is the core and mainspring of all human activity. If there's an ocean, we cross it; if there's a disease, we cure it; if there's a wrong, we right it; if there's a record, we break it; and finally, if there's a mountain, we climb it.

In Memory of Mike Smith

6/1/66 to 9/25/83

To Mike

God took another brother from us today.
I know He has every right and He can
do it if He may.
He took him to a place where he can
fly free.
to a world faraway, a place far from
you and me.

Sometimes I think it just isn't fair
to take one of us away to a land where
there is no care. Our brother is
gone but will remain in our hearts.
In our thoughts and prayers he'll always
be a part.

The loss was so great that tears are our
release. May our brother's soul live
forever and find eternal peace.

SENIOR CLASS LEGISLATORS — Stanley Jarrell, Dedra Murray, Darrin Orr, **Not Pictured** – Toyloria Collier, Senior Class Vice President.

The Senior Class of '84 headed by Madeline Simmons, advised by Kent Holly had a terrific year. They had various fund raisers such as a Spaghetti Dinner Theater, they sold balloons at the football games, and with the help of the Drama class had a successful production of M*A*S*H.

Gradnite proved to be a wild experience. After long anticipation, the Senior class united to celebrate their Senior Prom.

Well, we're gonna have too much fun next year. And I'm glad that I'll have you to share those memories with.

Academic Decathlon

For the fifth year in a row, CUHS outscored all of the other valley schools in the 1983 Imperial Valley Academic Decathlon. Unfortunately, the CUHS team was not declared the winner! Because of a mix-up at the County Office of Education, CUHS was not notified of the essay test date or sent the materials. Needless to say, the CUHS team did not show up for the essay writing portion of the contest. It was decided that the Central team should be penalized for not showing up to the part of the competition they were not informed of! As it was, the CUHS team was almost able to overcome the 1700 point penalty — "losing" by only 97 points. They did, however, outscore all other teams in 8 out of 10 events — proving once again that when it comes to brain power, Central Union High School is the best in the Valley.

The team participated in competition and spent a very busy year preparing for three areas of competition at Hawaii Invitational. Captain Becky Dominguez and Co-Captain Teresa Martinez are proud of the accomplishments of their team.

Central Connection and Shield

Irene Pittard, SHIELD advisor, recently received a certificate from the CUHS Board of Trustees commending her for the progress of her Journalism I class. In 12 weeks, Ms. Pittard and the class have developed the newspaper from a two-page newsletter into an eight-page tabloid. The certificate commended the SHIELD's writing quality as having surpassed that found in the SHIELD in over 10 years. The key to the newspaper's success has been the outstanding work done by the students of her class. The Imperial Valley Press also added its talents to the publication of this truly outstanding publication. The Press 'adopted' the newspaper and provides film and photo processing and also aided in the layout. Anyone who reads the paper will certainly notice the difference.

Varsity Football Struggled Through Disappointing Season

Mike Trigs, Head Varsity Coach, Assistant Coaches: Steve Maddox, David Middleton, Kent Holly.

The football team had a combination of players anxious to have a victorious season. The Seniors wanted to end their career with a strong league showing while the rookies wanted to start their varsity competition with the same goal. Both wanted to beat arch rival Brawley. Half a wish came true when the Spartans defeated Brawley in pre-season 14-6. Centrals over-all record was 3-8 with a disappointing 2-3 showing in league, which placed them 3rd in D.V.L. and qualified them for a berth in C.I.F. D.V.L. coaches choose Doug Kline to the 1st team all league in offense and 2nd team defense. Kevin "Sweet Feet" Dorner was also selected to 1st team offense and Rayburn Preece to 1st team defense. John Nava, Kevin Seals, and John Espinosa were also selected to the 2nd team. Spartan coaches selected John Nava and Doug Kline as the team's Most Valuable Players, Nick Gonzalez as Most Improved and Rayburn Preece as Outstanding Lineman.

Rosa crossed the finish line in first place in over half of her races. Even though none of them qualified for CIF they still had a great time.

The boys' team, also under the coaching of Mr. Gienger, were strong contenders at DVL. Merrell Hora, who was most valuable runner this year, wasn't able to run. They too did not qualify for CIF. Mr. Gienger is looking forward to an excellent season next year.

Girls' Tennis Was Hot, in More Ways Than One!

The 1983 Girls' Tennis team decided among themselves that they wanted to do something different, like beat Brawley more than once in one season, and the girls didn't stop until they had 3 wins over their competitive arch rivals.

Emma Jones and her talented girls had another of their many successful seasons. Their impressive 6-2 record captured 2nd place in the tough Desert Valley League. Jones complimented all of the players, but recognized the following:

Tammy Jones (most valuable player) Sharon O'Brien (rookie of the year) Ruth Bermudez (most improved) and Gina Silva (most hustle). Congratulations girls on a successful season.

Low Produces Great Year for Spartan Basketball!!

The 1984 Spartan Basketball squad proved to many that the team definitely had talent. Standouts such as Darryl Mitchell, Craig Farrar and David Lantzer proved to the critics that they were on the court to play some hoop.

The Spartans finished the regular season with an impressive 7-3 record which captured 2nd place and a berth in CIF action.

The team agreed the high point of the year was when the Spartans defeated the INDIO RAJAHS both at home and away.

Spartans . . . Truly a Team of Champions

Under the Coaching of John Lehton, the tennis team seems to be heading in the right way: That is in CIF. This year's team has many standouts such as Hector Aldana, Kevin Hinson, Donal Logue, David Pendley, Conway Ho and Matt McCormick. The Spartans started their season very strong and eager to play. Most of the guys work year round and have developed to be very awesome players!! They have had many matches and seem to do very good in them. Their toughest competition always seems to be the INDIO RAJAHS. Even though they didn't beat Indio, they still have high hopes.

J.V. players came in numbers this year. This years players were: John Gaede,Rajui Sharma, Peter Gutierrez, Oscar Gutierrez, Oscar Garcia, Scott Foskett, Steve Leach, Cesar Guizar, Jose Tapia, Ernie Lopez, Mitch Valentine, Rene Agundez, Neil Mac Gaffey, Richard Baker, Miguel Zambrano, Alex Guizar, Ken Baker, Mike Anders, Will Nelson, and Dean Lyon. Tammy Jones, and Danina Cordova were selected to the all tournament team, also Cyrene Valenzuela was chosen M.V.P. All of this was made possible by solid team effort and strong pitching by Debbie Sigala. The Spartans also participated in the Royal Oak Tournament held Easter week in West Covina. To help defray the cost to this Classic Invitational Tournament a fund raiser was held with the team playing a 100 inning softball game. The D.V.L. competition was more balanced this year with the Spartans, the strong favorite to be on top. The Varsity girls are all very proud of each other and Emma Jones is very proud of them. P.S. Colleen, Cindy, and Michele going for the gold.

The girls' track team had an excellent season. Coach Maddox thought this was the year to be DVL champs. The meet against Indio did not go exactly as planned, so they ended the season with a 7-1 record in dual meets.

The girls showed a lot of ability at Kiwanis Relays, winning it with ease. Lori Johnson was named most valuable runner.

Varsity Track Show Future Promise

This year's boys' track team had a lot of potential throughout the season. They began by winning the Kiwanis Relays. Jimmy Moore was chosen as most valuable runner. Other standouts at Kiwanis were John Benefield and Merrell Hora. All three were strong throughout the season and into DVL.

Closing the season with a 7-1 record in dual meets was not too surprising considering Indio being the only competition.

There were many freshman and sophomores running on this year's team, so next year's team will be very strong. Watch out Indio, here they come!

Varsity Baseball

The Varsity baseball squad entered league with a perfect 7-0 record, over some tough opponents in pre-season. Middleton says, his team, this season, has a very sound infield and a spectacular outfield which is the backbone of the team. He also adds this is the best natural hitting squad he has seen in years. The first seven games showed the Spartans only giving up 18 runs in 49 innings. Standouts such as Scott Kelley, Oscar Perez, Kevin Seals, Mike Martin, and Doug Kline are supplying the power. Meanwhile such defensive standouts as Marcos Velasquez, Mark Meadows, and Bobby Segovia are holding the opponents to nearly nothing.

J.V. Baseball

The 1984 J.V. Baseball squad is currently supporting an impressive 4-2 record. Most of the success is due to a very good pitching staff which gives up less than 3 runs a game. Trigs compliments all of his players on their striving efforts.

Mrs. Motta — Retiring After 16 Years at Central

After 20 years of teaching, 16 of those at Central, Mrs. Ruby Motta has decided to retire. She started teaching at the University of Kansas where whe was in charge of the speech team and was production manager for the drama class. From there she went to Chicago where she taught at a private television school for one year. At this school she taught acting techniques. After this, her family came to the valley and she began teaching at Central. She's taught English and speech all 16 years and was once in charge of the speech team.

Now, after all of this, she has decided to retire. She and her husband have bought an old schoolhouse in Colorado that they plan to turn into a home. Of course, she will miss Central very much, but she feels that it is time to move on to other things.

She says her most special memories of teaching have been the dramatic productions like *1984* and *Our Town* that she has helped to put on. Also, she has enjoyed watching different students grow and change through the years.

For all the students that she has taught over the years Central will never be the same without her. We wish you the best in your retirement and will all miss you very much.

Exchange Student From England

Ngaire Maberly is a 16 year old senior from Yorkshire in England. Yorkshire is a county 300 miles north of London. Ngaire has one brother and sister at home. In order to become a foreign exchange student Ngaire sent in an application. It was quite sometime later that she was introduced to the Williams family.

While she has been a student at Central, Ngaire has been in the drama club, band, Mat Maids, president of AFS, and she played powder puff. Since she has been in El Centro she's become hooked to junk food.

Ngaire has enjoyed Central and says that school here is much easier than in England. In England you graduate at 16 and then you can go for two more years if you want but the courses are really difficult.

Since she has been living with the Williams, she has gotten to travel to the East coast and Hawaii with the band. She has enjoyed her stay in the Valley and says the people here are very nice. She feels very fortunate that she got to stay with the Williams family and will miss them and all her good friends she has made when she goes home.

This Year's Fads

— We experienced the Flashdance craze. This movie influenced us to wear cut up sweatshirts and breakdancing.

— Some strange fads were plastic shoes and different colored high-top basketball shoes.

The cool things to wear this year were Burmy's and Ray-Ban sunglasses.

Favorite pasttime this year was playing hacky sack.

The toughest thing about buying a diamond engagement ring is figuring out how much you should spend.

Today you should expect to set aside at least one to two months' salary for a diamond engagement ring. When you're ready to make that purchase, ask us for assistance. We will help you select a diamond within your budget that you will both be happy with for years to come.

Dedicated,

Hey we all Seniors! Finally. I honestly didn't think I'd make it this far, but I did. These 3 yrs. have been pretty good. Especially with the group down there. What a group eh! Don't Daryl look fat!? Cec does it to him. I kept him slim and trim! All in all he was worth every bit of it. Hey what about Roland? The stud. He ain't to bad after all. But anyway my love life is crazy. I know you always get a good laugh thinking about all my guys. Deena as I have told you many times don't worry about our friendship, cause it will always be. You are a great friend. Thanks again for putting me up Wednesday. See the things we do. Dearne I can't think of too much else to say. It's hard to think of a whole page when we see and talk to each other every day, or is it? Anyway even though I'll see you almost all summer, you'd better have a good one. Maybe we'll find a 3 day weekend to go visit your sister. That was sure fun last year. We are gonna make our last year at Central the best next year. You know I'm so scared to be leave home. Well at last I have a year to worry about it. Anyway don't forget to keep in touch! (Ha Ha) Have a good one.

4 and him too

Love Jeannine

Ledeana,

Oh, a nice clean white page. I can't believe no one wrote on it yet but I will. I am definitely glad that we found each other. I never thought that we would ever be best friends. Maybe this summer I can walk to your house and we will have some class together. I hope this next year will have fun times too. Well I guess I'll keep in touch. Have a great summer.

Love ya,
Michele

Deanie-Weenie,

You are such a special person, I hope you know that. We've known each other for eons and eons and I've loved every minute of it. I want to keep in touch over the summer. We can maybe plan to go to the beach or San Diego or have a slumber party and be real bitchin! Sound good? Sounds good to me! I want our Senior year to be the very best ever. I guess I want it to be a fairy-tale senior year; going to parties, having neat classes, having slumber parties, or whatever. It probably won't be like that, but let's try to make it great, anyway. Can you understand what I'm saying? I hope so.

I hope you find a special someone to love. It would be neat. Then we could go on double dates and stuff. But I'm not rushing you or anything, Really I'm not!

Take Care of yourself and be rowdy. Let's go cruising with Janis again soon. I could go on writing forever but I better stop. Don't you think so?

I'm so glad that we're friends. Always remember: I'm here for you anytime you need me, OK?

Good start!

Karen doesn't agree, but screw her, she's part of society. Oh, what will I do every day now between 9:20-9:25 with no Leanna to pass in the halls and make funny faces at? HELP- I'm drowning!

Maybe I'll survive until GATE 12 Second Semester. I sure hope so.

Have a good life, first start by enjoying your last summer, Oooh- scary huh?.

Love ya kiddo Jamie Ross

Leanna,

So a super sweet girl. Have a fun Summer, and stay out of trouble. I mean if you hang around with Linsey you're liable to get into trouble. Next year you're going to be a big bad Senior. See ya next year

Love Always,

Tedeana, killer picture of ya, I dig your outfit. I've really enjoyed having you in Gate, you are a very heartwarming person. You almost are always smiling and that makes me feel good. Keep on being cool and have a great summer vacation. Maybe we'll see each other. (Hopefully not!) Ha. Ha! Don't party too much because I don't want to clean up any technicolor yawns. See ya later.

With love,

Danny

Fedeana,

Thanks for pulling all of those detentions from Miss Ly's class. If it weren't for you I would still be in detention. Maybe we'll see you sometime this summer, with Jeanine of course. You're always together. Have fun your senior year and don't get caught by Mrs. Bentley. BYE!!

Love,
Liz Ferguson

Hurra Hurra! I hate writing in yearbooks. No, I just hate the ritual. Depressing. Can you believe it? Believe what? I don't know. Believe in scary monsters. Safe. They're coming after you. My God! Two teensy weensy teensy more days. Ya de dada, And it's that jazz. Had mega fun at Morp. Morp. Morp. Morp. Well I've known you forever and I'll probably always know you. Stay awayyy! (-Shine!)

Leadership -
I'll be seeing you but this summer so I don't need to write in your yearbook.
I'll tell you I'm still saving myself for you — Ronnie

Fedeana,
I'm trying to remember if I've been more annoying to you at a couple times. Stay the way you are (off the wall). Keep cool during the summer. Don't forget to ask your mom/dad if you can go to the Cultural club-certs. Cin. '85
